Heinrich Mann DIGITAL
A transnational showcase of the literary estate

"Poetry and Politics"

The digitisation of the Heinrich Mann estate in the Archives of the Prussian Academy of Arts and Sciences has made public access difficult. The division of its collections into East and West institutions and the restrictions on the exchange of materials which established the Heinrich Mann Archive as one of the bodies of literature of the Archives (Deutsche Akademie der Künste) meant that the archive was no longer able to virtually bring together the globally dispersed collections with unrestricted rights of the free spirit. With a federal Enlightenment acting as a driving force for creating a digital access to literary remains, with such type for creating a digital access to literary remains. By a federal enlightenment acting as a driving force for creating a digital access to literary remains, with such unrestricted rights of the free spirit. With a federal enlightenment acting as a driving force for creating a digital access to literary remains, with such unrestricted rights of the free spirit. With a federal enlightenment acting as a driving force for creating a digital access to literary remains, with such unrestricted rights of the free spirit.
